Let us know how we can help

N.I.C.K. Services sponsors children ages 5-12, grades 1-6. We are dedicated to serving the under served children of Lebanon County.

Sometimes, family finances do not allow for additional expenses like dance or martial arts. N.I.C.K. wants bridge the gap so their children do not miss out on character building programs.

If you know a child who could benefit from a N.I.C.K sponsored extra curriculum program, log onto nickservices.org to complete an application.

Upcoming Classes

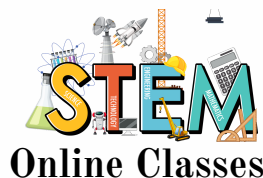

Art Classes for Kids

N.I.C.K. Services will offer our 9week Fall Art class starting in September. Students learn the fundamentals of drawing and painting, as well as color scale, print making, and dimension.

Throughout the 9 weeks, our students will create projects that encourage their creativity and build on the previous lessons learned.

Classes are held at the NICK Learning Center on Monday and Thursday night- 6:00-7:30pm.

Stay tuned for more registration information and volunteer opportunities.

Did you know coding teaches children many valuable skills?

It is an excellent way to learn creativity, confidence, problem solving skills and communication.

NICK Services will launch our first coding class in September. This 12 week class will be at no cost to parents. Laptops and class materials are supplied by NICK Services.

In this weekly class, students will learn computer programming while completing fun coding challenges. Students will also be introduced to a different robot every week.

Classes are held at the NICK Learning Center on Wednesday nights- 6:30-7:30pm.

Stay tuned for more registration information and volunteer opportunities.

Who We Are

N.I.C.K. Services is a 501(c)(3) approved organization focusing on serving the children of Lebanon County. Our mission is to link children with character building extra-curricular activities when circumstances might not otherwise allow.

N.I.C.K. Services sponsors children by incurring the cost of the program. N.I.C.K. Services, with the help of our partners, hopes to open doors for elementary school age students in Lebanon County.

We would like to partner with more organizations and businesses who have programs that link with our mission.

Volunteer with N.I.C.K.

We are looking for volunteers and committee members to add to the NICK team.

Let's help Lebanon County children
TOGETHER!

Ask us how you can help!

Consider a monthly donation or a larger one time donation which will benefit more children. Your kind donation will help us support more children in Lebanon County. Visit our website for more info.
