***Welcome our new N.I.C.K. Kids!***

**In May, we welcomed two new N.I.C.K Kids.**

11 year old Heather is attending Suzanne's Dance studio. She loves her dance classes. She is looking forward to their dance recital on June 16th at Cedar Crest High School.

Energetic Brianna is 7 years old. She is excited to begin martial arts classes at Warfield Martial Arts.

We are thrilled the girls have joined the N.I.C.K. family. We are looking forward to watching their progress in their chosen activity.

## Partner Spotlight

Suzanne's Dance studio has been a valued partner for several years. Thanks to their partnership, N.I.C.K. has had the opportunity to support many children, ages 5-12, to achieve their desire to learn gymnastics and dance.

Suzanne's offers several class options from tap, ballet, jazz. and acrobatics, based on age.

They offer parties at the studio or on the famous Jumpin' Jitney Party Bus! There are also summer camps coming up in July.

N.I.C.K. thanks Nikki and her team for their dedication to teaching Lebanon County children. We are also grateful for their partnership and support.

## Who We Are

N.I.C.K. Services is a 501(c)(3) approved organization focusing on serving the children of Lebanon County. Our mission is to link children with character building extra-curricular activities when circumstances might not otherwise allow.

N.I.C.K. Services sponsors children by incurring the cost of the program. N.I.C.K. Services, with the help of our partners, hopes to open doors for elementary school age students in Lebanon County.

We would like to partner with more organizations and business who have programs that link with our mission.

## How you can help

### There are many ways to help!

Become a committee member, volunteer for our events, or donate to sponsor a child. It costs approximately \$75 a month for one child to participate in their chosen activity.

Consider a monthly donation or a larger one time donation which will benefit more children. Your kind donation will help us support more children in Lebanon County. Visit our website for more information.
