

# Piano Lessons

We are pleased to announce NICK Services has added piano lessons as a sponsored program. We have partnered with two local music studios who offer private piano lessons.

At this time, we can offer three spots, which are currently filled. Applicants for piano will be on a waiting list. As we grow this program, we will open spots for students on the wait list.

**Printable Piano**  
**Sponsorship Application**

Once sponsorship is approved, parents must contact the music studio directly for class time and availability. Sponsorship does not cover registration fee, instrument rental, sheet music, or recital fees, etc
