WHO WE ARE

N.I.C.K. Services is a 501(c)(3) approved organization focusing on the serving the children of Lebanon County.

Our mission is to link children with character building extracurricular activities when circumstances might not otherwise allow.

N.I.C.K. Services sponsors children by incurring the cost of the program. N.I.C.K. Services, with the help of our partners, hopes to open doors for elementary school age students in Lebanon County.

What's happening at the Center

Our 9-week Spring Art Class begins again this week. We are proud to offer this beneficial program again.

Local artist, Jandi Goshert, teaches the students techniques like 3D shapes, landscapes, and scaling through drawing and painting.

Since last summer, 50 children have enjoyed creating projects that improve their skills and imagination.
